## NATIONAL CERTIFICATE OF CONSTANCY OF PERFORMANCE Nr AC 158-UWB-Z2113

Pursuant to the Regulation of Minister of Infrastructure and Construction dated 17 November 2016 on procedures for declaring performance of construction products and labelling them with a conformity mark for construction products (Dz. U. (Journal of Laws) item 1966), this Certificate concerns the following construction product:

### Strength graded coniferous structural timber

A coniferous structural timber (edged, rough or planed wood) made of Scots pine (PNSY), Norway spruce (PCAB), European larch (LADC) intended for load-bearing wooden structures.

Depending on the quality of the wood and the quality of processing - strength graded coniferous structural timber has obtained the following quality classes:

Species of timber	Quality Class
<i>Pinus sylvestris</i> (PNSY)	KG, KS, KW
<i>Picea abies</i> (PCAB)	KG, KS, KW
European larch (LADC)	KG, KS, KW

covered by the Polish Standard:

**PN-D-94021:2013-10**

marketed or trademarked by:

**DREW-MET Sp. z o.o. Sp.k.**

**Leszno, ul. Rzemieślnicza 18, 83-307 Kiełpino**

and manufactured by:

**DREW-MET Sp. z o.o. Sp.k.**

**Leszno, ul. Rzemieślnicza 18, 83-307 Kiełpino**

This is to certify that all the requirements for the assessment and verification of constancy of performance under the national system 2+, as regards the product's declared performance relating to its intended use, as specified herein, have been satisfied and that

the manufacturer has implemented an internal production control system to ensure the maintenance of constancy of such performance.

This certificate was first issued on 14.06.2021 and it will remain valid until the Polish standard that has been used, methods of assessment and verification of constancy of performance, the construction product itself or the conditions of its production are changed in any substantial way, and provided that the certificate is not suspended or revoked by an accredited certification body.
